#### I. MINUTES:

Judge Michael Linn called the meeting to Order. This meeting is to discuss the possible closing of the Law Library due to COVID-19. This meeting is in Compliance of the Sunshine Statute 189.015.

II. DISCUSSION ON POSSIBLE CLOSURE OF THE LAW LIBRARY:

Trustee Wilder suggests we move for discussion as to whether the Law
Library should close or remain open with limited access.

Chairman Michael Linn stated there is now an Administrative Order shutting down the Court System to essential hearings only. This Order has a deadline of March 27, 2020. He has concerns of the library being open to the public and safety of patrons and employees due to COVID-19. The question remains, should we keep the library open? The County libraries remain open but are staggering staff, canceling meetings, clinics and only allowing 10 patrons in at a time.

Trustee Wilder states he would like to see the library close but have employees remain to answer phone calls and emails.

Commissioner Townsend states she thinks we should follow what the County is doing and allowing only 10 patrons at a time.

Trustee Walker Motions that until further notice we limit the attendance to no more than 5 patrons at a time and the matter be revisited at the next scheduled meeting of April 3, 2020. He also would like all group functions be suspended including monthly CLE's. Leave discretion up to the Librarian as to denying entry by any patron who appears to show any sign of illness and or shows risk of exposure. Commissioner Townsend seconds the motion for discussion.

Trustee Wilder has an issue with the librarian act in a medical capacity.

No other discussion.	The Chairman	calls on e	each Trustee	for their	vote	and
shows as follows:						

Trustee Walker - yes
Trustee DeMarchi - yes

## REOPENING WITH POSSIBLE ISSUES

#### It is Not When We Open but How We Open

It is likely that we will re-open with Covid-19 still around us at some level. The health of our patrons and staff members are paramount. And, I think it will be prudent to reopen in steps, much like we closed.

- 1) When the stay-at-home order is lifted, I'd like to staff the library but not open the library much as we did before the Governor's stay at home order came down. Until the South County Branch is open, we should answer phones and email from Fort Pierce (only) from 9:00 until 7:00 during the week, except Fridays. To earn our keep, we can temporarily staff a little longer on the weekend days too (tbd).
- 2) Assuming we will reopen to our patrons before the virus is entirely gone, we should practice the only thing seems to work -- social distancing:
  - a. No meetings at all.
  - b. Allow only legal researchers in the library up to a maximum of five at a time. We will enforce a maximum time limit of 60 minutes. Exceptions might be made if someone is working on a complicated issue and no one is waiting to use the library.
  - c. We will ask the patrons 1) to sign in with the time at the reference desk, 2) wash their hands before using the books or computers, and 3) we squirt sanitizers on their hands before touching our keyboards.
  - d. Space the computers to allow more room between the patrons
  - e. Attorneys are allowed to use the library after hours if they agree to the conditions in c). Additionally, they must leave a note saying where they worked so we can wipe down the equipment and area with extra care. (As a note, we are focused on their hands because there are only so many times you can sanitize a keyboard before you can expect it to malfunction and always at the worst possible time.)
- 3) Reference staff will wear masks and we will furnish gloves to any patrons who requests them.
- 4) We can back away from these restrictions as soon as they appropriate. We need time and experience to determine the best way to do this. We can take our clues from other public agencies and institutions. Normally, we take our cues on closures from the Courts, the Clerk and the Public Libraries.
- 5) But, we may always want to keep the hand sanitizer handy!
